

ASIA LEDSPARTNERSHIP

Advancing low-emission,
climate-resilient development across Asia

Clean Energy Grid Integration Network: Regional Resource for Knowledge Sharing

Mr. John Bruce Wells,
Asia LEDSPartnership Secretariat

CEGIN – Newly Launched

- Objective: help strengthen ***policies and programs*** to enable high levels of renewable energy generation for electricity systems, along with related demand response, smart grid, and storage solutions.
- Partners:
 - Clean Energy Solutions Center
 - 21st Century Power Partnership
 - US Agency for International Development (USAID)
 - Asia Low Emission Development Strategies Partnership (ALP)
 - Greening the Grid Toolkit team

- Expert technical assistance
- Training and knowledge exchange
- Technical resources on good practices for grid integration
- Platform to share experience

Help strengthen our network!

What you can do:

- **Become a member** by joining at <https://cleanenergysolutions.org/cegin/join>
- **Share** experiences and lessons on grid integration
- **Lead or participate** in activities supported by CEGIN
- **Collaborate** on resources development and improvement
- **Conduct outreach** to broaden awareness and participation in CEGIN
