# Agenda

5

- ✓ Welcome and Introductory Remarks
- ✓ Overview of the [Clean Energy Solutions Center](#)
  - **Sean Esterly**: National Renewable Energy Laboratory
- ✓ Presentation - Panelist:
  - **Abby Semple**: Public Procurement Consultant, Public Procurement Analysis
  - **Chris Payne**: Sustainable Federal Operations, Lawrence Berkeley National Laboratory
- ✓ Question & Answer
- ✓ Survey
- ✓ Discussion and Closing Remarks

# Clean Energy Ministerial & UN Partnership Supporting the Solutions Center

6

- Clean Energy Ministerial (CEM) launched the Clean Energy Solutions Center in April, 2011 for major economy countries
  - One of eleven CEM Initiatives
  - Led by Australia and U.S. with other CEM partners
- Partnership with UN-Energy is extending scope to support all developing countries
  - Enhance resources on policies relating to energy access, small to medium enterprises (SMEs), and financing programs
  - Offer expert policy assistance to all countries
  - Expand peer to peer learning and training

# Clean Energy Solutions Center

<http://www.CleanEnergySolutions.org>

7

## Goals

- Serve as a first-stop clearinghouse of clean energy policy resources.
- Share policy best practices, data, and analysis tools across countries.
- Deliver dynamic services that will enable expert assistance, learning, and peer to peer sharing of experiences
- Foster dialogue on emerging policy issues and innovation across the globe.

## Target Audiences

- Primary:
  - Energy policy makers and advisors
  - Analysts
- Secondary:
  - Private sector companies,
  - Energy entrepreneurs and investors
  - Non Governmental Organizations
  - Civil society
  - Others engaged in clean energy

# Ask an Expert: Our Experts in Action

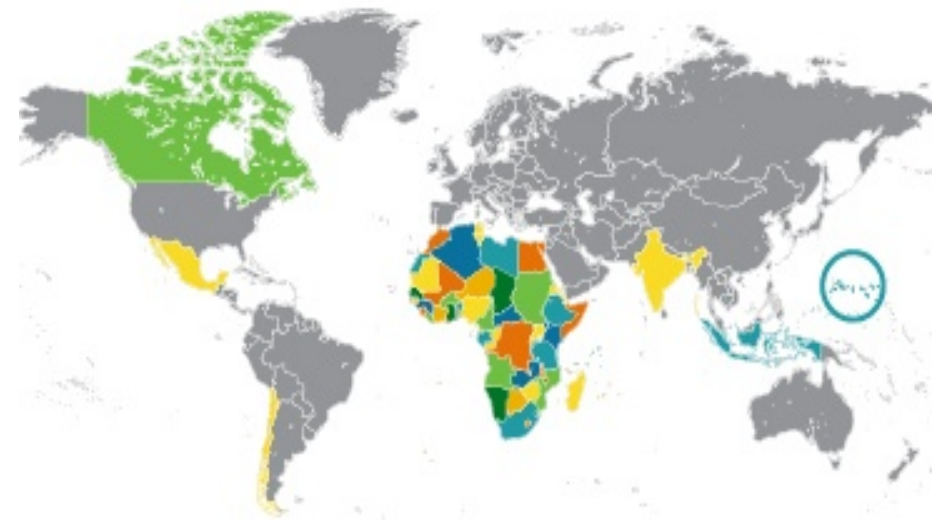

8

We connect you to a global network of energy experts for personalized attention and quick response technical assistance on **strategies, regulations, standards, financial incentives, and deployment programs** for a broad range of clean energy sectors and technologies including:

- Appliance & Equipment Standards and Labeling
- Transportation
- Energy Access
- Energy Efficiency
- Renewable Energy
- Smart Grid

**Requesting Assistance:**

# How You Can Get Involved

9

- Request expert assistance or tailored technical resources for your country
- Participate in webinars, training activities, and policy networks
- Offer advice and suggest resources to share
- Register for our newsletter

# Abby Semple: Public Procurement Analysis

10

## **Abby Semple**

Abby Semple, LL.B. (Dub) is a public procurement consultant who has managed tenders on behalf of public sector clients in Ireland and the UK, and worked on the development of procurement law and policy at EU level. Her areas of expertise include the EU procurement directives, green and socially responsible procurement, life-cycle costing, framework agreements, contract design, and negotiation and supplier engagement. She has developed procurement criteria, tender documents, guidance and training materials on behalf of a number of authorities at local, national and international level, including the Irish Environmental Protection Agency, European Commission and the SEAD initiative. Abby writes and speaks frequently on procurement topics ([www.procurementanalysis.eu](http://www.procurementanalysis.eu)).

# Dr. Christopher Payne: Deputy Group Leader of the Sustainable Federal Operations group at Lawrence Berkeley National Laboratory

11

## **Dr. Christopher Payne**

Dr. Christopher Payne is the Deputy Group Leader of the Sustainable Federal Operations group at Lawrence Berkeley National Laboratory, where he leads projects supporting the development, implementation, and evaluation of energy efficiency and sustainability programs in the public sector. He has provided technical and policy assistance to the US Department of Energy's Energy Efficient Product Procurement program since its inception in the early 1990s

Time for Q&A

12

## Questions

# Survey

13

- How did we do?
- Your feedback is important!

Your participation is appreciated!

14

Thank you!
