## To ask a question

- **Select the ‘questions’ pane on your screen and type in your question**

## Having trouble viewing the webinar

- PDFs of the presentations can be accessed at <http://cleanenergysolutions.org/training>

## A recording of this Webinar and the PowerPoint slide deck will be made available at:

- <http://cleanenergysolutions.org/training/webinars/driving-transformation-to-ee-buildings>

# Agenda

- Welcome and Introductory Remarks
- Overview of the Clean Energy Solutions Center
  - **Vickie Healey**: Project Leader, National Renewable Energy Laboratory
- Overview of the
  - **Katrina Managan**: Program Manager, Institute for Building Efficiency
  - **Rob Moul**: Vice President, Marketing and Solutions for Asia
- Question & Answer
- Discussion and Closing Remarks

# Clean Energy Ministerial & UN Partnership Supporting the Solutions Center

- Clean Energy Ministerial (CEM) launched the Clean Energy Solutions Center in April, 2011 for major economy countries
  - One of eleven CEM Initiatives
  - Led by Australia and U.S. with other CEM partners
- Partnership with UN-Energy is extending scope to support all developing countries
  - Enhance resources on policies relating to energy access, small to medium enterprises (SMEs), and financing programs
  - Offer expert policy assistance to all countries
  - Expand peer to peer learning and training

# Clean Energy Solutions Center

<http://www.CleanEnergySolutions.org>

## Goals

- Serve as a first-stop clearinghouse of clean energy policy resources.
- Share policy best practices, data, and analysis tools across countries.
- Deliver dynamic services that will enable expert assistance, learning, and peer to peer sharing of experiences
- Foster dialogue on emerging policy issues and innovation across the globe.

## Target Audiences

- Primary:
  - Energy policy makers and advisors
  - Analysts
- Secondary:
  - Private sector companies,
  - Energy entrepreneurs and investors
  - Non Governmental Organizations
  - Civil society
  - Others engaged in clean energy

# Ask an Expert: Our Experts in Action

8

We connect you to a global network of energy experts for personalized attention and quick response technical assistance on **strategies, regulations, standards, financial incentives, and deployment programs** for a broad range of clean energy sectors and technologies including:

- Energy Access
- Energy Efficiency
- Renewable Energy
- Smart Grid
- Transportation
- Utilities

**Requesting Assistance:**

Register on <http://cleanenergysolutions.org/expert>

# How You Can Get Involved

- Request expert assistance or tailored technical resources for your country
- Participate in webinars, training activities, and policy networks
- Offer advice and suggest resources to share
- Sign up for the newsletter
- Join conversations on the Policy Forum

# Katrina Managan: Program Manager

10

**Katrina Managan** is a Program Manager with the Institute for Building Efficiency at Johnson Controls where she researches and analyzes market strategies and policy options that can significantly improve the energy efficiency of the built environment. She contributes to the IBE's mission on a global scale, while also focusing her efforts on the U.S. market and leading work in Latin America.

A member of the Building Efficiency business of Johnson Controls, Katrina also provides research and analysis for strategy, business development, and new product design efforts.

In addition to her MBA from IE Business School, Katrina has a B.A. in Politics with honors, a B.A. in Biology and completed the Environmental Studies Program at Brandeis University

# Rob Moul: Vice-President, Marketing and Solutions for Asia, Johnson Controls

**Rob Moul** is Vice-President of Marketing and Solutions for Asia at Johnson Controls. Rob has been with Johnson Controls for 29 years, 24 years of which have been in Asia. During this time, Rob has held a variety of regional management positions and has been involved with energy efficiency projects across Asia. Rob's current role is Vice President, Marketing and Solutions for Asia.

Time for Q&A

12

## Questions

Your participation is appreciated!

13
