

Clean Energy Solutions Center and LEDS GP

Financing Urban Transportation Policies and Programs

December 10, 2013

Sean Esterly – Moderator

Panelist:

Dr. Dario Hidalgo - Director of Research and Practice,
EMBARQ

- *The Clean Energy Solutions Center does not endorse or recommend specific products or services. Information provided in this webinar is featured in the Solutions Center's resource library as one of many best practices resources reviewed and selected by technical experts*

Two Options for Audio (select audio mode):

1. *Listen through your computer.*

- Please select the “mic and speakers” radio button on the right hand audio pane display

2. *Listen by telephone.*

- Please select the “telephone” option in the right-hand display, and a phone number and PIN will display.

3. *Panelists - Please mute your audio device when not presenting*

4. *Technical Difficulties:*

- *Contact the GoToWebinars Help Desk: 888.259.3826*

Some housekeeping Items (continued)

To ask a question

- **Select the ‘questions’ pane on your screen and type in your question**

Having trouble viewing the webinar

- **PDFs of the presentations can be accessed at**
- <https://cleanenergysolutions.org/training/financing-urban-transportation-policies-programs>
- **A video/audio recording of this Webinar and the slide decks will be made available at:**
- <https://cleanenergysolutions.org/training/financing-urban-transportation-policies-programs>

Agenda

- ✓ Welcome and Introductory Remarks
- ✓ Overview of the [Clean Energy Solutions Center](#) and LEDS GP
 - **Sean Esterly**: National Renewable Energy Laboratory
- ✓ Presentations - Panelists:
 - **Dr. Dario Hidalgo**: Director of Research and Practice, EMBARQ
- ✓ Question & Answer
- ✓ Closing Remarks
- ✓ Survey

Clean Energy Ministerial & UN Partnership Supporting the Solutions Center

- Clean Energy Ministerial (CEM) launched the Clean Energy Solutions Center in April, 2011 for major economy countries
 - One of eleven CEM Initiatives
 - Led by Australia and U.S. with other CEM partners
- Partnership with UN-Energy is extending scope to support all developing countries
 - Enhance resources on policies relating to energy access, small to medium enterprises (SMEs), and financing programs
 - Offer expert policy assistance to all countries
 - Expand peer to peer learning and training

Clean Energy Solutions Center

<http://www.CleanEnergySolutions.org>

Goals

- Serve as a first-stop clearinghouse of clean energy policy resources.
- Share policy best practices, data, and analysis tools across countries.
- Deliver dynamic services that will enable expert assistance, learning, and peer to peer sharing of experiences
- Foster dialogue on emerging policy issues and innovation across the globe.

Target Audiences

- Primary:
 - Energy policy makers and advisors
 - Analysts
- Secondary:
 - Private sector companies,
 - Energy entrepreneurs and investors
 - Non Governmental Organizations
 - Civil society
 - Others engaged in clean energy

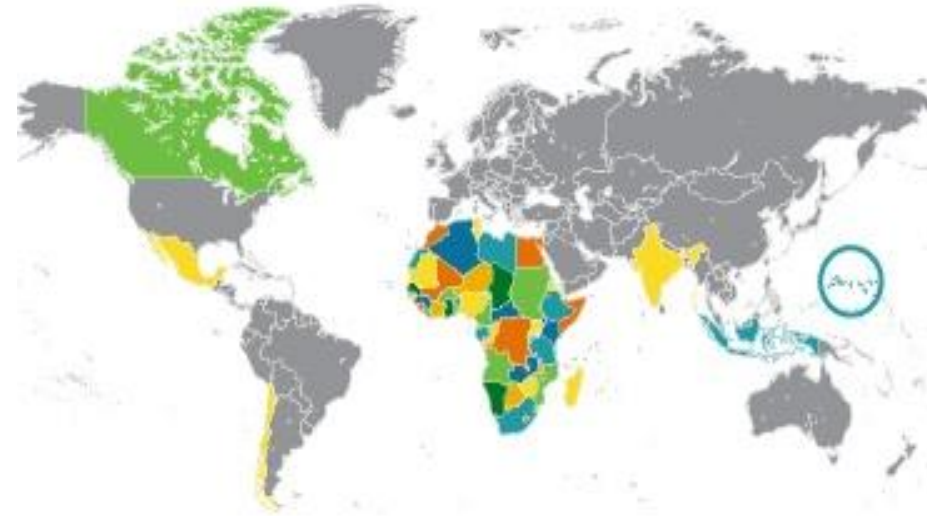

Ask an Expert: Our Experts in Action

We connect you to a global network of energy experts for personalized attention and quick response technical assistance on **strategies, regulations, standards, financial incentives, and deployment programs** for a broad range of clean energy sectors and technologies including:

- Transportation
- Renewable Energy
- Energy Access
- Energy Efficiency
- Smart Grid
- Utilities

LEDS GLOBAL PARTNERSHIP

Mission

Harness the collective knowledge and resources of governments, donors and international organizations, and practitioners in scaling up and strengthening implementation of climate-resilient low emission development around the world.

Objectives

- **Strengthen support** for LEDS
- **Mobilize capacity and advance peer-to-peer learning and collaboration** on LEDS
- **Improve coordination** of LEDS at the country, regional, and global levels.

Since its launch in 2011 the LEDS GP has become a vibrant platform for peer learning and collaboration.

Dr. Dario Hidalgo - Director of Research and Practice, EMBARQ

10

Dr. Hidalgo guides the EMBARQ Network's international team of transport engineers, urban planning specialists and environmental scientists. This team is involved in sustainable transport and urban development projects in India, Mexico, Brazil, Turkey, the Andean Region and China. With more than 20 years of experience as a transport expert, consultant, and government official, he has taken part in urban transport projects and taught training courses in 10+ countries of Latin America, Asia and Africa. He has also been a lecturer in urban planning and is the author of 55 publications and conference presentations, including an extensive review of bus systems in developing countries. Dr. Hidalgo holds Ph.D. and M.Sc. degrees in Transportation Planning from Ohio State University, and a Civil Engineering degree from Universidad de los Andes, Colombia. He lives with his family in Bogotá, Colombia.

Time for Q&A
