

Promoting Energy Efficiency Finance: Examples of Tools and Best Practices

30 November 2017

Some Housekeeping Items

Two Options for Audio (select audio mode):

1. *Listen through your computer.*

- Please select the “mic and speakers” radio button on the right hand audio pane display

2. *Listen by telephone.*

- Please select the “telephone” option in the right-hand display, and a phone number and PIN will display.

3. *Panelists - Please mute your audio device when not presenting*

4. *Technical Difficulties:*

- *Contact the GoToWebinars Help Desk: 888.259.3826*

Some Housekeeping Items (continued)

- **To ask a question**
 - Select the 'Questions' pane on your screen and type in your question
- **Having trouble viewing the webinar?**
 - PDFs of the presentations can be accessed at <https://cleanenergysolutions.org/training>
- **Share with others or watch it again**
 - A video/audio recording of this Webinar and the slide decks will be made available at: <https://cleanenergysolutions.org/training>
- **Recordings are also available on our YouTube channel**
 - <http://www.youtube.com/user/cleanenergypolicy>

Disclaimer

- *The Clean Energy Solutions Center does not endorse or recommend specific products or services. Information provided in this webinar is featured in the Solutions Center's resource library as one of many best practice resources reviewed and selected by technical experts*

Agenda

1

**Welcome &
Introductory
Remarks**

2

**Overview of the
Clean Energy
Solutions Center**

- **Katie Contos**, Clean Energy Solutions Center

3

Presentations

- **Peter Sweatman**, Chief Executive, Climate Strategy & Partners
- **Carolina Herrera**, Latin America Advocate, NRDC

4

**Question and
Answer Session**

Clean Energy Ministerial

The Solutions Center:

- Launched under the Clean Energy Ministerial (CEM) in 2011

Clean Energy Ministerial:

- A high-level global forum to promote policies and programs that advance clean energy technology, to share lessons learned and best practices, and to encourage the transition to a global clean energy economy.

90%
of
Clean energy
investment

&

75%
of
Global CO₂
emissions

Solutions Center: Background & Vision

- Multilateral initiative, of the Clean Energy Ministerial, is co-led by the Australian Department of the Environment and Energy, Sweden's Ministry of the Environment and Energy, and the U.S. Department of Energy.
- Additional funding support from Power Africa
- In-kind support from Chile
- The Solutions Center is a unique CEM initiative assisting countries in all regions of the world in strengthening clean energy policies and finance measures
- Supporting transition of clean energy markets and technologies

*US participation & leadership are under review.

Solutions Center: Goals and Audience

Programs and Services

- **Team of 50+ experts from around the globe responded to 350+ requests for policy support from more than 80 countries**
 - Extensive support across Africa, Asia, and LAC
 - Launched support for finance measures in 2015

 - Government Policy Makers and Advisors
- **Secondary**
 - Private-Sector Companies
 - Energy Entrepreneurs and Investors
 - Non-Governmental Organizations
 - Civil Society
 - Others Engaged in Clean Energy

Solutions Center: Partnerships

More than 35 international partners:

- Climate Technology Center and Network (CTCN)
- ECOWAS Center for Renewable Energy and Energy Efficiency (ECREEE)
- Inter-American Development Bank (IDB)
- International Energy Agency (IEA)
- International Partnership for Energy Efficiency Cooperation (IPEEC)
- International Renewable Energy Agency (IRENA)
- Low Emission Development Strategies Global Partnership (LEDS-GP)
- Renewable Energy Policy Network for the 21st Century (REN21)
- Sustainable Energy for All (SEforALL)
- United Nations Environment Programme (UN Environment)
- USAID Power Africa (USAID PA)

Ask an Expert: Our Experts in Action

We connect you to a global network of energy experts for personalized attention and quick response technical assistance on **strategies, regulations, standards, financial incentives, and energy transition programs** for a broad range of clean energy sectors and technologies including:

- Carbon Capture Utilization & Storage
- Energy Access
- Energy Efficiency
- Renewable Energy
- Smart Grid
- Transportation
- Utilities

Responded to over 400 requests for assistance from over 90 countries.

To request assistance, register on <http://cleanenergysolutions.org/expert>

Peter Sweatman, Chief Executive, Climate Strategy & Partners

Peter Sweatman is the Chief Executive of Climate Strategy & Partners, a strategic consulting group in Clean Energy, Clean Technology, Energy Efficiency and Climate Change Strategies. For 5 years directly prior to this, Peter was Managing Director responsible for Iberia and Latin America for Bunge-Climate Change Capital that was one of the world's leading specialist fund manager and advisors in the low carbon economy. Peter holds an MA Cantab degree in Engineering and Management Studies from Cambridge University. In 1991, he joined JPMorgan in Corporate Finance where he spent 9 years responsible for client business, mainly in debt capital markets, for Spain, Portugal, Austria and Switzerland based in London and then for Mexico and other Latin American countries from New York. In the year 2000, Peter became a social entrepreneur to found three successful and high impact NGOs: Technology Trust (www.ctt.org), New Philanthropy Capital (www.philanthropycapital.org) and Catalyst Climate Change Trust.

Carolina Herrera, Latin America Advocate, NRDC

Carolina Herrera works on clean energy, climate change and sustainable development issues in Latin America, particularly in Mexico and Chile. Her work focuses on identifying and promoting solutions, including green finance approaches, that can enable countries of Latin America to achieve their development goals through clean energy, create climate-resilient communities, and protect natural resources. Before joining NRDC, Herrera worked as an energy policy researcher for Japan's Chubu Electric Power. She holds a bachelor's degree in international development and a master's in global environmental policy from American University. She is based in Washington, D.C.

Question and Answer Session

**Peter Sweatman,
Chief Executive, Climate
Strategy & Partners**
